**RESUBMISSION (VIA FACSIMILE) OF RESPONSE TO NOTICE TO FILE MISSING  
PARTS OF NON-PROVISIONAL APPLICATION, ORIGINALLY FILED  
UNDER CERTIFICATE OF EXPRESS MAIL ON NOVEMBER 8, 2001**

Dear Sir or Madam:

1. A Notice to File Missing Parts of Non-Provisional Application ("Notice") for the above-identified application was mailed on October 29, 2001 by the U.S. Patent and Trademark Office. The Notice (Exhibit 1) required that a signed declaration for the patent application be filed together with a payment of a \$65.00 filing fee.
2. In response to the Notice, Applicant mailed, under a Certificate of Express Mail, a response ("Response") which included a signed declaration for patent

application, a copy of the Notice, a check in the amount of \$65.00, and substitute pages 31 through 41 to be inserted into the application.

3. The Response (Exhibit 2) was filed bearing the Express Mail mailing label number of EL908184375 US, with the "date in" stamped on the Express Mail mailing label "11/9/01" (Exhibit 3).

4. Also submitted with the Response was a Domestic Return Receipt (Exhibit 4), also bearing the Express Mail label number of "EL908184375US". This Domestic Return Receipt was received by the U.S. Patent and Trademark Office Mail Center, as evidenced by the PTO Mail Center's "Received" stamp dated January 7, 2002. As shown in the attached Express Mail label receipt (Exhibit 3), the time of deposit of the Response with the U.S. Postal Service was 16:45 on November 9, 2001.

5. In addition to the Domestic Return Receipt, a return postcard (Exhibit 5) was also submitted with the Response and was returned by the PTO, bearing the stamp of the Office of Initial Patent Examination ("OIPE") noting the correct Express Mail deposit date of November 9, 2001. This return postcard also bears the Express Mail label number of EL908184375US.

6. Further, in the cover letter (Exhibit 6) correspondence for the Response, a statement was provided signed by Barbara Ballew, a legal assistant employed at the undersigned's law firm, indicating that the Response was deposited with the United States Postal Service on November 9, 2001.

7. A check was submitted with the Response, from the undersigned's law firm (Check No. 084468) in the amount of \$65.00 and was deposited by the U.S. Patent

and Trademark Office, and a copy of the cancelled check is submitted herewith as Exhibit 7.

8. Applicant first became aware that there was a problem concerning the Response during a routine audit of Applicant's filed conducted on or about December 2, 2002. At that time, an inquiry was made to the Patent Application Information Retrieval (PAIR) system which failed to reflect receipt by the Patent Office of Applicant's Response. A phone call to Patent Office personnel confirmed that Applicant's Response had not made its way to the file for the above patent application.

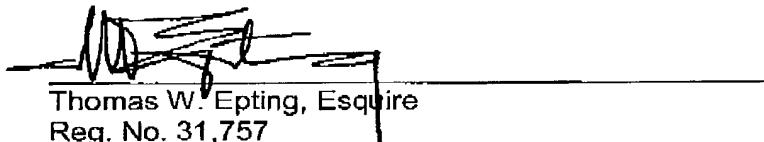

9. Accordingly, Applicant hereby respectfully requests that Applicant's Response, which is being resubmitted herewith (Exhibit 2) via this facsimile, be accepted and accorded the November 9, 2001 filing date referenced above.

10. The undersigned hereby states that the copies of the Response and Exhibits hereto, namely, the "Express Mail" mailing label, returned postcard, cancelled check, Domestic Filing Receipt, and transmittal correspondence are true copies of such items originally mailed to the U.S. Patent and Trademark Office via Express Mail on November 9, 2001.

The Commissioner is authorized to charge Deposit Account 12-0760 for any necessary fees and to credit said account for any fee overpayments. In the event a Petition is necessary for acceptance of the above identified Response, then such Petition is hereby made, and the foregoing is incorporated as the factual basis for such Petition and for the request for relief.

Respectfully submitted,
